

**WEBSTER GROVES POLICE
OFFICERS ASSOCIATION**
4 SOUTH ELM AVENUE
WEBSTER GROVES, MISSOURI 63119

After reviewing the available information on The State of Missouri v. Christopher E. Hunt, it is the belief of the below members of the Webster Groves Police Officers Association that Detective Hunt was acting within his lawful duties as a law enforcement officer during the date and time in question. With the charging, convicting, and sentencing of Detective Hunt, it is our belief that an injustice has occurred. If this injustice is not corrected through the appeals process, it will have a long lasting effect on the actions and abilities of law enforcement officers across Missouri. On behalf of the Webster Groves Police Officers Association, we would like to fully and completely endorse the Hunt for Justice and their campaign to ensure that justice is returned to Deputy Hunt.
